

About Border Patrol

The Blaine County Border Patrol is an upcoming law enforcement agency tasked with detecting and preventing illegal border crossings along the northern borders of Blaine County. Establishing in 2023 in response to increased illegal immigration and drug trafficking from neighbouring counties.

On September 10th, 2023, the Blaine County Border Patrol held a press event and photoshoot at the parking lot of the Blaine County Sheriff's Office to highlight their expansion efforts. Several vehicles and equipment were put on display, including the agency's newest acquisition: refurbished Annihilator stealth helicopters equipped with cutting-edge surveillance systems.

Several county officials and law enforcement leaders attended the event, conveying their support for the Border Patrol's mission. The Border Patrol maintains its agents follow lawful protocol in carrying out their duties.
